Meadow Elementary

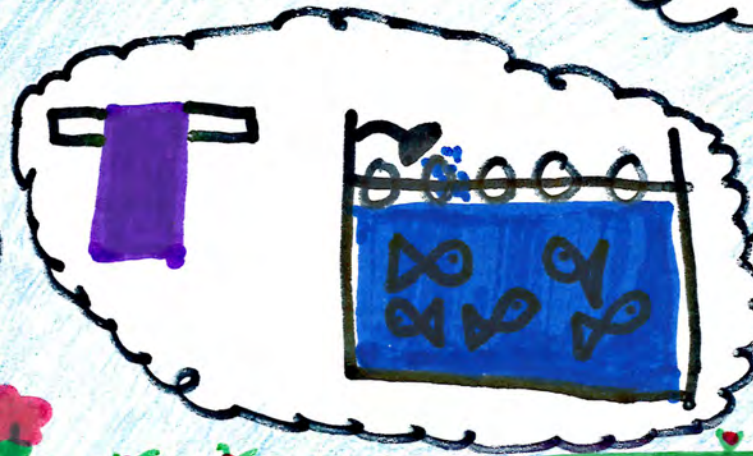

What is Water Conservation?

Collect
rain water
and use it!

Put leftover
ice in plants!

Take
shorter
showers!

STOP THAT
DRIP!

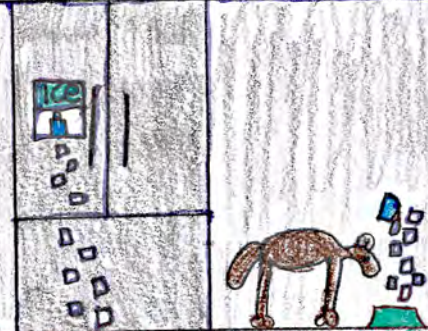

Christavian Baker
5th Grade
Oak Grove Elementary

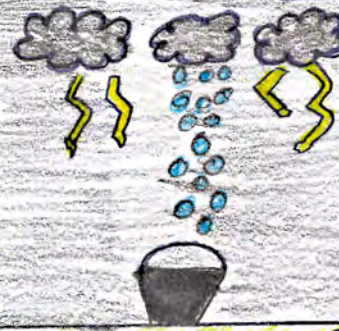

turn off water
when not using ↓

If ice takes from the ice machine
let it melt and let your dog
drink it ↓

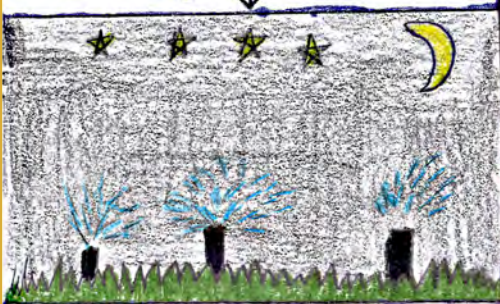

When its raining put a
bucket outside ↓

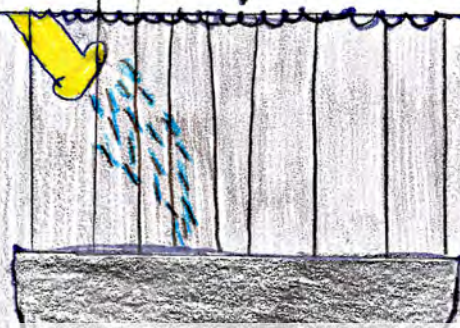

If your water bottle is empty
fill it back up dont throw it
away ↓

Water your grass at
night ↓

take a 10mt
shower ↓

Ways to Conserve Water

everytime you need water from the pond us the same water
buckets ↓

if you see a leak fix
it ↓

dont pass out water to
us the water bottle for
playing with. ↓

Don't leave water ON. Cause
it will overflow.

Who's
is NOT
SAVING
WATER!

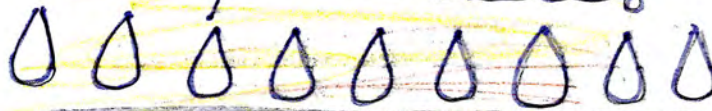

Ashley Madrid
4th Grade
Oak Grove Elementary

THE RULES... OF WATER!

- Don't leave faucets running.
- ONLY water the grass.
- Collect water when it's raining.
- Plug the tub when running the water.
- Use the same towel for a week.

Most **I**mportantly...

Try to save
as much water
as possible!
